Why is Open Source important?

Why is Open Source important?

Why is Open Source important?

Volkan Yazıcı @yazicivo · Dec 10, 2021

Log4j maintainers have been working sleeplessly on mitigation measures; fixes, docs, CVE, replies to inquiries, etc. Yet nothing is stopping people to bash us, for work we aren't paid for, for a feature we all dislike yet needed to keep due to backward compatibility concerns. x.com/shipilev/statu...

# Where do we go from here?

Personal bid

- Have some fresh basil 🌿

- Should I donate/fund?

- Should my company do that?

- Should I have my own OSS?

- If so, should I monetize?

- GitHub Codespaces/DevContainers

Don't ever, for any reason, do anything, to anyone, for any reason, ever, no matter what, no matter where, or who, or who you are with, or where you are going, or where you've been, ever, for any reason whatsoever.

- Michael Scott

That's all!
